

Attention Visitors

To safeguard against the spread of infection, at this time **visitors are not allowed in the cafeteria or common areas of the hospital.** This will serve to protect our most vulnerable patients from potential exposure.

Please follow our guidelines to insure safety for everyone:

- **Complete temperature check.**

Receive a temperature and symptom screening at our front desk upon entry.

- **Wear your mask at all times.**

Make sure your mask covers both your nose and mouth, and never pull your mask at any time during your visit.

- **Maintain social distance.**

Keep a 6-foot distance between yourself and others during your visit.

- **Keep your hands clean.**

Wash your hands frequently or use alcohol solution after touching surfaces or your face during your visit.

Thank you for your cooperation in slowing the spread of the coronavirus in our community.

Eisenhower Health and its clinics are open and serving patients in the Coachella Valley. Eisenhower wants to provide you with the latest information about Coronavirus (COVID-19).

Call our hotline at 760-TEST988 (or 760-837-8988) to discuss any symptom concerns before presenting at any of our locations.

The line is staffed from 7 a.m. to 7 p.m. with team members who are ready to assist you.
