

EISENHOWER HEALTH

HIV

Interprofessional
Symposium
2024

SATURDAY, DECEMBER 7

7:45 a.m. to 4:45 p.m.

Held at the Annenberg Health Sciences Building at Eisenhower
39000 Bob Hope Drive, Rancho Mirage, California

EISENHOWER HEALTH

One-day symposium focusing on advances in **HIV/AIDS** healthcare and the healthcare team structure to improve team-based **HIV** care for individuals living with **HIV** or who are at risk of acquiring **HIV**.

REGISTRATION INFORMATION

To attend the symposium, you may register online at EisenhowerHealth.org/HIV or scan the QR code on your smartphone. For updated program information, visit EisenhowerHealth.org/HIV.

SPECIAL ACCOMMODATIONS

If you need special accommodations or have questions about access to the symposium, please call **760-834-7956**, ext. **7956** or email bklein@eisenhowerhealth.org.

TARGET AUDIENCE

This interprofessional educational activity is targeted toward the frontline team members caring for persons with or at risk of acquiring **HIV**. This could include physicians, advanced practice nurses/NPs, PAs, nurses, pharmacists, medical case managers (including social workers, adherence counselors, and treatment advocates), and other allied health professionals caring for people with **HIV** in both the primary care and specialist settings.

COURSE DESCRIPTION

Please join Eisenhower Health for our annual **HIV Interprofessional Symposium**. The guiding principles for this symposium are to educate and train healthcare professionals to address the healthcare needs of People with **HIV** (PWH) through interprofessional team-based learning, education, and collaboration.

This educational activity will cover advances in **HIV/AIDS** medicine, focusing on issues related to patient care and offer an opportunity to interact with leaders in this ever-evolving specialty.

HIV INTERPROFESSIONAL SYMPOSIUM

LEARNING OBJECTIVES

At the conclusion of the symposium, learners should be better able to communicate and collaborate with their care team to:

- Outline the roles and responsibilities of the members of the healthcare team treating PWH to improve team-based **HIV** care
- Apply new insights for optimizing antiretroviral therapy and achieving viral suppression among PWH
- Describe the relationship between Mental Health and **HIV** to overcome challenges among PWH
- Identify challenges and opportunities for the prevention and management of comorbidities and complications in PWH
- Explore interventions and strategies for managing **HIV**-associated neuropathy
- Incorporate best practices for improving STI and **HIV** prevention with your care team
- Review treatment interventions for individuals with **HIV** & addiction
- Explain the increased cancer risk in people living with **HIV** PWH

ACCREDITATION AND CERTIFICATION

JOINTLY ACCREDITED PROVIDER
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Annenberg Center for Health Sciences at Eisenhower (Annenberg Center) is jointly accredited by the Accreditation

Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians: The Annenberg Center designates this live activity for a maximum of 7.75 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurse Practitioners/Nurses: The Annenberg Center designates this live activity for a maximum of 7.75 ANCC contact hours, to include 6.75 pharmacology hours.

Physician Assistants: Annenberg Center for Health Sciences at Eisenhower has been authorized by the American Academy of Physician Associates (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 7.75 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Pharmacists: The Annenberg Center for Health Sciences at Eisenhower designates this knowledge-based activity for a maximum of 7.75 hours. Credit will be provided to NABP CPE Monitor within 60 days after the activity completion.

Social Services: As a Jointly Accredited Organization, the Annenberg Center for Health Sciences at Eisenhower is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. Regulatory boards are the final authority on courses accepted for continuing education credit. Social workers completing this course receive 7.75 general continuing education credits.

DISCLOSURE OF CONFLICTS OF INTEREST

All individuals in control of the content of continuing education activities provided by the Annenberg Center for Health Sciences at Eisenhower are required to disclose to the audience all relevant financial relationships related to the content of the presentation or enduring material. Full disclosure of all relevant financial relationships will be made in writing to the audience prior to the activity.

The Annenberg Center assesses relevant financial relationships with its instructors, planners, managers, and other individuals who are in a position to control the content of CE activities. All relevant financial relationships that are identified are mitigated by the Annenberg Center for fair balance, scientific objectivity of studies utilized in this activity, and patient care recommendations. The Annenberg Center is committed to providing its learners with high-quality CE activities and related materials that promote improvements or quality in healthcare and not a specific proprietary business interest of a commercial interest.

All members of the planning committee of this symposium have no relevant financial relationships to disclose.

All of the relevant financial relationships disclosed during this symposium have been mitigated.

All presentations are recommended for both healthcare professionals and public attendance.

Annenberg Center for Health Sciences Privacy Policy

Annenberg Center for Health Sciences Privacy Policy: Annenberg Center for Health Sciences respects your privacy. We don't share information you give us or have the need to share this information in the normal course of providing the services and information you may request. If there should be a need or request to share this information, we will do so only with your explicit permission. See Privacy Statement and other information at <https://annenberg.net/pages/privacyPolicy.php>

AGENDA

TOPICS AND SPEAKERS

Saturday, December 7, 2024

Schedule subject to change.

Registration, Breakfast, Exhibits	7:15 – 7:45 a.m.
Introduction and Welcome:	7:50 – 8 a.m.
Jorge E. Rodriguez, MD, AAHIVS, and Carl Enzor, BSN, RN, CAO
